OFF-ROAD VEHICLES

CORVUS-UTV.COM

CORVUS OFF-ROAD VEHICLES® is part of a registered trademark owned by CORVUS. We reserve all commercial rights and/or the right to exploit the brand. As CORVUS is constantly seeking new ways to improve the specifications, design and quality of its utility vehicles, ongoing modifications may take place. That is why the information in this catalogue may have changed since the time of printing. CORVUS reserves the right to modify models, colours, and/or technical specifications without notice and without incurring any obligation. Drivers of CORVUS vehicles must comply with all requirements demanded by current legislation in relation to driving licenses and security measures required for the proper use of such vehicles. Never perform acrobatics and avoid excessive speeds and abrupt turns. Never drive under the influence of alcohol or drugs.

STRONG AND POWERFUL, IN LESS SPACE

CORVUS

TERRAIN GX4s

MAXIMUM COMFORT,
IN MINIMUM SPACE.

AUTHENTIC OFF-ROAD DNA

The Terrain GX4s is a perfect example of a vehicle with unadulterated off-road DNA. Its powerful 570 EFI petrol engine and its 4x4 differential lock system, provide the Terrain GX4s with unmatched power. An authentic and ideally sized all-terrain vehicle.

THE MOST AGILE WORK VEHICLE

The size and qualities of the new Terrain GX4s combine to make it a nimble, easy-to-drive UTV that delivers perfect handling on all types of trails. With a ground clearance of 242 mm, and a turning radius of 2.99 m, the GX4s is more than able to negotiate all types of terrain.

IDEAL COMPACT SIZE

The compact dimensions of the Terrain GX4s greatly increase this UTV's versatility. With a width of 144.9 cm, it's perfect for service tasks, but it can also be used in woodland areas. A perfect size that goes hand in hand with a maximum total load capacity of 440 kg - a leader in its class.

INCREDIBLE CAB COMFORT

The proportional dimensions of this UTV's cabin are one of its strong points. In two words, roomy and spacious. In addition, its ergonomic and intuitive driving position offers the worker a surprising level of comfort and a smooth driving experience that make for a satisfying working day.

EASY TO DRIVE AND MAINTAIN

As is the case with all the vehicles in the CORVUS family, maintaining the Terrain GX4s is an extremely simple task. To gain access to the engine assembly, the oil and air filters, and the CVT belt, all you need to do is remove the cargo box in one swift movement.

TECHNICAL SPECIFICATIONS
